

# Mistusinne Newsletter – Summer 2020

## Council Updates:

Boat Launch: Council is working closely with the supplier to find a solution to the boat launch dock. As well, they are looking at ways to expand the parking at the boat launch.

Maintenance Yard: Please ensure that your name and lot number is on anything that you have stored there. In the future, unmarked articles may be towed away. It is also your responsibility to mow or whipper snip around articles stored in the yard.

Garbage: Please do not leave articles or bags outside of the bins. Keeping a clean and safe garbage area relies on the goodwill of all ratepayers. If this situation cannot be kept under control, then preventative measures will have costs associated with them and we will all have to share those costs. Sarcan in Central Butte will take electronics. Compostable materials and branches can be taken to the compost pile and branch pile. Cardboard can be taken to recycling. Please push your garbage bags to the back of the bin.

Events that have been cancelled this summer: Canada and Family Fun Day, Annual Charity Golf Tournament and Community Potluck Supper, Annual Ratepayers Meeting. Hopefully next year will see everyone getting back together.

**Thank you to all the volunteers who help with watering and turning compost, watering trees, helping with the rafts, maintaining the flowers on the golf course and in the front bed, removing sand from the boat launch, whipper snipping weeds in the tree beds and anything else that may have been missed. It is greatly appreciated!!!**

Message from the Golf committee: Unfortunately, due to COVID-19 we will not be able to hold our golf tournament. This is an event many of us enjoy, and we have had some wonderful times by donating to, organizing, and playing in this tournament. We have been able to donate all the proceeds to both the First Responders in Elbow and the Elbow Fire Department. This has amounted to a large sum of money, due to your generosity, and was very much appreciated by these groups. If you can spare some of the money you would have donated at the tournament, and wish to donate these funds to the First Responders and Fire Department, I would encourage you to do so. You could put cash or cheque in the golf fee box or drop off at the office. Make cheques payable to: Mistusinne Charity Golf Tournament and clearly mark any cash donations for this cause. This is a valuable cause, as they are the ones that help us in our greatest need.
