Canada Day Events were amazing and well attended. Approximately 230 people enjoyed the BBQ. Excellent turn out! Huge thank you to council led by Councilor Glubis and all volunteers.

Playground

Volunteers we need you! A new piece of playground equipment has been purchased and our maintenance team could use a few handy hands to help install it! If you are interested please let us know!

ATV use in Mistusinne

ATV use, although improved, continues to be an issue in the community. Please take the time to discuss with your family and guests the rules and regulations. Safety is our number 1 concern. All drivers should have a clear understanding of the rules of the road as well as our bylaws. They should have complete control of the vehicle at all times. No driving on green spaces under any circumstances. Vehicles should only be driven on roadways.

Cabins tied into the Water System

Please be advised that it is not permitted to tie your cabin into the water system for any water use. This is an irrigation system only. Tying in for consumption use is against regulations and can come with fines or dire consequences for the Municipality and tax payers. This is provincial not local regulation.

For more information visit our website or call the office.

Cabin Directory

Swing by the bulletin board and check out the newly posted cabin directory. Please email the office if there are any corrections needed (spelling, name preference etc.)
